WAAS 2025 is going to be bigger and better than ever before! As the show has grown significantly over the past few years, we will now be holding Africa's leading automotive show across 4 halls at The Landmark Centre for WAAS 2025.

Building on the 250+ exhibitors and over 4100 visitors from last year's WAAS, the growth in numbers means we will sell out quickly for the 2025 show. No other international exhibition in Africa attracts so many automotive professionals including the biggest distributors, importers, retailers and dealerships of automotive, in one place across the 3 day exhibition.

To ensure your business stands out, we offer innovative, tailor-made, promotional sponsorship packages designed to maximise your exposure pre-event, during and post exhibition. This brochure will provide you with more information on how you can best position your business for success at WAAS 2025.

We look forward to working with you to ensure your success at WAAS 2025.
